

## CONTRACT FOR INSTALLATION

WHEREAS, Bronaugh School District, hereinafter called "Purchaser" and Inetvisions LLC, hereinafter called "Contractor" have agreed to initiate a contract for the installation of wifi access points, cabling, UPS and switch equipment owned by Purchaser.

Contractor will install and configure wireless access point, switches, and cabling for Purchaser. This contract covers installation. Contractor's fee for this service will be what is reflected on estimate.

1. Purchaser may choose not to proceed with this project if "sufficient" E-Rate funding is not approved before 3/31/2019
2. Purchaser shall be the sole party determining whether any amount of approved E-Rate funding is "sufficient" for the applicant to proceed with the project.
3. Purchaser shall have the right to determine the date this project will begin.
4. This contract may be voluntarily extended on the same terms and conditions, for up to 1 period of 12 months after its expiration date of 9/30/2019.
5. Purchaser confirms its intent to use Contractor to complete the project in the event that Purchaser proceeds with the project without receiving E-Rates between 7/1/2018 and 9/30/2019.

DURATION OF CONTRACT: This contract becomes effective as of date signed.

BY THEIR SIGNATURES below, the parties accept this agreement as above and the contract is in effect on the day and date of signature.
